

Cradley and Storridge Parish Council

Environment Working Group : Roles and Responsibilities

- The group has CPC responsibility for the care of our parish environment in its widest sense.
- The group is expected to highlight and deal with environmental issues of importance to residents of the two parishes.

Items include:

1. Maintenance and regular updating of the TPO Database, provision of information on TPO's etc on the CPC Website
Providing HCC with database updates.
2. Flora and Fauna Database:
3. Community Orchard. Review , investigate , make recommendations
4. Community Allotments. Covered by Act of Parliament. PC's should consult with their communities. Action to investigate and report to council / VIWG.
5. Footpaths: Liaise with the council's FPO's to ensure PROW work is being appropriately addressed.

Cllr. Sarah Thomas (Environment WG Leader)
